

Call for entries - new musicvideo „UNOJAH - Fiyashiyya“

Yes Habibis and Habibties,

we are nothing without you beautiful community out there. This is why we thought you should be covered in our upcoming music video. „The listener is the musician and the musician is the listener.“ Maulana Jalaluddin Rumi said once upon a time.

Our song Fiyashiyya is about being thankful for life and all the mercy given to us by the heavens. Our idea is to show this kind of happiness and thankfulness together with you in a video.

What do we need?

- a small videoclip of you, your friends, your family, your pets, your garden, your neighbourhood...(can be the full song or just a small part of it.)
- **What to do?** Download our new song from our homepage www.unojah.com
- Put it on any device/ speakers and sing to the lyrics (attached below), or dance, do fancy tricks, celebrate life or just do whatever you like.
- **IMPORTANT:** If you record via mobile device use landscape format.
- After you have shot your clip visit www.wetransfer.com and send your clip to info@unojah.com
- Please send us your clip until the 31. of august. Please note that audio won't be used, just video. For further questions contact info@unojah.de

From all the clips we will edit our new video clip for Fiyashiyya. Our wish is that it's gonna be a colorful video of lovely diverse people from all around the globe, showing happiness and celebrating life.

We are looking forward to all of your deliveries!

Much love and light,

your UNOJAH Family
